

touch of brilliance

Bring more homes to life with Tuxedo Touch™ and Honeywell Total Connect™ Remote Services

Bold. Brilliant. Beautiful. When it comes to home control for everyone, Honeywell's Tuxedo Touch is anything but basic. The state-of-the-art home controller provides you with an affordable way to offer your customers control of their security system, cameras and Z-Wave® enabled thermostats, lights, locks and shades all from one magnificent, 7" graphic touchscreen. They can also perform these functions wherever they are with Honeywell Total Connect Remote Services—an excellent way to earn more RMR on every installation. A built-in web server lets your customers control their systems anywhere in their homes on smartphones, tablets, web-enabled TVs or any compatible wireless mobile device without an app.

For a fraction of the price of other solutions, Honeywell's Tuxedo Touch lets you make their homes more enjoyable and your business more profitable than ever before. **What could be more brilliant than that?**
